

PREVENTIVE MATERIALS

MOUTH PROTECTORS

OBJECTIVES

أ.م. منى شعبان رجب
جامعة تكريت - كلية
طب الاسنان

1. List the most prevalent causes of dental injury in football even when the player is wearing extraoral protective devices.
2. Differentiate between the three types of mouth protectors.
3. Discuss properties of custom-made mouth protectors.
4. Discuss reasons for non-use of custom-made mouth protectors and causes of breakdown.
5. Describe the basic steps in fabrication of a mouth protector.
6. Discuss patient instructions for care of mouth protectors.
