

1. Pre-clinical Removable partial denture

Lec.	Subject	Hours
1.	Course description, Introduction, definitions &terminology.	1
2.	Importance of diagnostic cast & RPD classification	1
3.	Components of RPD	1
4.	Surveying (1)	1
5.	Surveying (2)	1
6.	Clinical and laboratory steps in construction RPD	1
7.	Maxillary major connector	1
8.	Mandibular major connector	1
9.	Minor connector	1
10.	Rests	1
11.	Retainers types &function	1
12.	Supra bulge retainers	1
13.	Infra bulge retainers	1
14.	Indirect retainers	1
15.	Stress breakers (1)	1
16.	Technical procedures Cast prep.	1
17.	Technical procedures Agar& refractory cast	1
18.	Technical procedures Casting	1
19.	Technical procedures Finishing the RPD	1
20.	Introduction to RPD design	1
21.	Acrylic partial denture	1
22.	Metals used in RPD	1
23.	Phases of treatment partially edentulous patients.	1
24.	Trouble shooting in RPD	1
25.	Revision	1
